Gospel of John

Nature Defying Miracles of Jesus

DEVOTIONALS FOR THE WEEK OF:

January 26, 2025

Do you believe in miracles? This week we dig deeper into why the miracles of Jesus are important.

Monday: John 6:1-3; Mark 1:33, 45

Why were crowds of people following Jesus? Were the followers a small group or large crowds? Why did Jesus decide to not stay in town any longer? What does that tell you about His motives? Why do you think Jesus performed miracles? With whom did Jesus make time to hang out? For what purpose?

Tuesday: Mark 3:7-12; Psalm 103:2-3

Why did the masses come to see Jesus? Do you think that they were there to meet God or for some other reason? What might that have been? Is it wrong for a church to gather the masses? Why should we invite people to church? Why does God want us to come to Him? What sort of blessings does He want you to enjoy? What is wrong with wanting God to bless you with your daily needs being met?

Wednesday: Mark 4:1-20

What does the parable of the sower have to do with why people follow, or don't follow Jesus? Why might faith not take hold? Why do some people desire that rich soil and others do not? How does a person move from rocky or thorn infested faith to deep and rich soil faith?

Thursday: Mark 14:27-31; John 21:1-17

Was Peter a true follower of Jesus Christ? What did he promise to Jesus? What happened to Jesus that made him run away and deny Christ? When did Peter return? What was the miracle that got Peter to turn from running away? Why did Jesus accept Peter back after his failure? Are there reasons why you have stopped believing? Stop running. Jesus is calling you back.

Friday: Daniel 3:19-30

What happened in this passage that was a miracle? Why did these servants of God get into trouble? Why did God honor their faith? What happened to the king because of the miracle? What do you learn from this story? Are there people in your

life who expect you to deny Christ? Today, choose to take the heat of following Christ 100% and watch how God watches over you. Perhaps your faithfulness will inspire others to walk with Christ as well.

Saturday:Jonah 1: 1-4; 17; 2:1-10; 3:1-10

Why did Jonah refuse to go to Nineveh? What did God want him to do? What did God create to deal with rebellious Jonah? What did Jonah eventually do? What happened to the rebellious people? What is the miracle in this story? What is God asking you to do for Him that you are refusing to do? What blessing is being withheld because of it? Today, come to God with open hands and heart. Obey Him because it will lead to more people coming to faith. Including you.
